The undersigned thanks Examiners Walck and King for their time and comments during the telephone interview on 23 March 2009. The undersigned proposed amending the claims to further clarify the ratio of the dimensions or to recite flat surfaces. The undersigned argued the support was found in the original ranges and the flattening method. The Examiners said they would consider the proposed changes new matter. No agreement was reached.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'M. D. Swanson', written over a horizontal line.
